Subject: Edwards Oil - State Contact (File)

Lorie,

File this.

On 8-19-03, at 0825 hours, I called Tim Sonnenberg (734 953-1412) of the DEQ Livonia office. He is the inspector/regulator for Edwards Oil. He said Edwards had no pending violations and were a responsive company.

Based on not having any pending state violations and letters from the City of Detroit and the U.S. DOT stating Edwards was compliant with City and DOT regulations I approved Edwards as a disposal facility for the non-haz oil.
